Letters to the Editor

I thought you might be in-

terested in a comment Patrick Henry made when someone **CPYRGHT** described to him the methods, functions and administration of the CIA. Mr. Henry said, "The liberties of a people pover were, nor ever will be,

secure, when the transactions of their rulers may be con-

Pertinent Observation

Of course, Mr. Henry's a pretty wild extremist with that "Give me liberty or give me death" stuff, but I thought his charmation and of particular than the course of the c his observation sort of perti-
